

A summary of the adult social care sector and workforce in Blackpool 2022/23

¹ <https://www.skillsforcare.org.uk/monthlytracking>

Across England, the vacancy rate has decreased compared to last year and the number of filled posts has increased. During this period international recruitment increased substantially which has impacted these trends.

Workers in Blackpool had on average 9.5 years of experience in the sector and 73% of the workforce had been working in the sector for at least three years.

We know that recruitment and retention is one of the largest issues faced by employers. We have many resources and tools available to help, for example the 'Values-based recruitment and retention toolkit'² and 'Seeing potential: widen your talent pool'.³ For more information please visit:
